HOTEL ELEVADOR ****

Bom Jesus do Monte
4710-455 Braga – Portugal
www.hoteisbomjesus.pt/

It gets its name from the water-operated elevator, built in 1882, one of the oldest in the world. It takes you from uptown Braga to the Sanctuary and the Hotels. In its panoramic restaurant, the heavenly kitchen, under the direction of chef Vinagre, is like a melting pot of sensations, mixing traditional northern Portuguese cuisine with the best national and local wines like “vinho verde”.
