Announcing the “Wharton Research Data Services Best EFMA Conference Paper Award”

Wharton Research Data Services (WRDS) is pleased to announce the **WRDS Best Paper Award** which will be announced at the annual meeting of **European Financial Management Association (EFMA)** to an outstanding conference finance paper. The WRDS Best Paper Award will recognize the paper that has the most potential to advance our understanding in the field of finance. The winner(s) of the WRDS Best Paper Award will be selected by an Award Review Committee and will share the US \$3,000 cash prize.

ABOUT WRDS

Wharton Research Data Services (WRDS) provides the leading business intelligence, data analytics, and financial research platform to global institutions – enabling comprehensive thought leadership, historical analysis, and insight into the latest innovations in academic research.

WRDS provides researchers with one location to access over 250 terabytes of data across multiple disciplines including Accounting, Banking, Economics, ESG, Finance, Healthcare, Insurance, Marketing, and Statistics. Flexible data delivery options include a powerful web query method that reduces research time, the WRDS Cloud for executing research and strategy development, and the WRDS client server using PCSAS, Matlab, and R. Our Analytics team, doctoral-level support and rigorous data review and validation give clients the confidence to tailor research within complex databases and create a wide range of reliable data models.

An award-winning data research platform for over 50,000 commercial, academic, and government users in 30+ countries, WRDS is the global gold standard in data management and research – all backed by the credibility and leadership of the Wharton School.

About the Wharton School Founded in 1881 as the first collegiate business school, the Wharton School of the University of Pennsylvania is recognized globally for intellectual leadership and ongoing innovation across every major discipline of business education.
