EUROPEAN FINANCIAL MANAGEMENT

European Financial Management was founded in 1994 by Dr John Doukas to encourage research and to disseminate knowledge about decision making in all areas of finance. *European Financial Management* publishes applied research of the highest quality from around the world, providing a forum for both executives and academics concerned with the financial management of European corporations and financial institutions. The journal highlights key trends in Europe in a clear and accessible way, with articles covering international research and practice that have direct bearing on Europe.

Areas covered include:

- European stock markets
- Eurobond and Eurocurrency markets
- managing European currency exposure
- financial regulatory issues
- banking and money markets
- financial derivatives
- mergers and acquisitions
- corporate restructuring
- new capital raising strategies
- corporate treasury management
- investment and capital structure decisions

EFM welcomes high quality submissions in all areas of financial decision making.

SUBMIT YOUR ARTICLES ONLINE EFM has a rigorous editorial policy that ensures only articles of top international quality are accepted for publication. The EFM acceptance rate is about 9%. For full details contact: jdoukas@odu.edu.
