

About EDHEC

With over 110 permanent professors and more than 5,000 students at its campuses in Lille and Nice, France, EDHEC Business School is one of the leading European business schools. EDHEC is accredited by the three main international academic organizations (AACSB (US-Global), Association of MBAs (UK-Global) and EFMD (Europe-Global)). Within the framework of its strategy of international excellence, EDHEC has developed a very active research policy in recent years which has led to the creation of research centres that are based on its faculty's expertise.

Introduction

As part of its international development program and in order to strengthen its research potential, the EDHEC group, one of Europe's leading research and teaching institutions, is recruiting experienced professors, managers and researchers.

Professor/Associate Professor of Finance, EDHEC-Risk Asia – one vacancy in Singapore

EDHEC Business School is seeking a full-time faculty member for the EDHEC Risk and Asset Management Research Centre in Singapore. The successful candidate will have a PhD, excellent presentation skills and will ideally have both experience within the industry and a track record of research, teaching and programme management. The position will include responsibility for Masters/Doctoral programmes in risk and investment management. Familiarity with the fields of institutional investment, asset allocation, risk management and/or portfolio management would be an asset for the position. The salary will be competitive and commensurate with the candidate's qualifications and experience. The starting date for the position is September 2010.

If you wish to apply for this position, please send an application letter and a CV to Séverine Anjubault – EDHEC – 400 promenade des Anglais – BP 3116 – 06202 Nice cedex 3 – France, or to severine.anjubault@edhec.edu.
