

### “A place that creates knowledge”

As one of Europe's leading business universities, the University of St. Gallen (HSG) is engaged in the education of more than 8,000 students and, as one of the region's biggest employers, offers about 2,400 members of staff an attractive and innovative environment in research, teaching, executive education and administration.

The School of Finance of the University of St. Gallen is seeking to fill the position of a

## Programme Manager (100%)

as from 1 January 2016 or by arrangement.

The position involves the operational management of the Master's programme in Banking and Finance (MBF-HSG). The successful candidate will position the MBF-HSG as an internationally leading degree course in financial economy. Activities will include programme development; marketing; working with students, faculty members, alumni and sponsors; as well as the organisation of events. An additional activity will be the operational management of the doctoral programme of the School of Finance, the PhD in Finance.

#### **We expect:**

- University degree (licentiate, diploma, Master) in economic sciences, preferably a doctor's degree
- Pronounced organisational and communication skills
- A personality with integrity who displays initiative and motivation
- International experience, ideally in an academic environment
- Command of written and spoken English and German

#### **We offer:**

- Opportunities for the further development of an international top-class programme (10th place in the 2015 global ranking of the Financial Times)
- Varied and demanding activities with a great deal of personal responsibility
- Assumption of managerial responsibility in a small team
- With the relevant qualifications, lectureship at the University of St. Gallen
