Global Scholar Recruitment Campaign

Apply Now

City University of Hong Kong (CityU) is one of the world's leading universities, known for innovation, creativity and research. We are now seeking exceptional scholars to join us as Assistant Professors / Associate Professors / Professors / Chair Professors (on substantiation-track) in all academic fields with special focuses on One Health, Digital Society, Smart City, Matter, Brain, and related interdisciplinary areas. Research fields of particular interest include, but not limited to:

- biomedical science and engineering
- veterinary science
- computer science and data science
- neuroscience and neural engineering
- bio-statistics and AI-healthcare
- smart/semi-conductor manufacturing
- AI/robotics/autonomous systems
- aerospace and microelectronics engineering
- energy generation and storage
- digital business and innovation management
- fintech and business analytics
- computational social sciences
- digital humanities
- digital and new media
- law and technology
- private law
- healthy, smart and sustainable cities

Successful candidates should have a demonstrated ability to build a world-class research programme related to CityU's strategic research areas, plus a commitment to education and student mentorship. Candidates must possess a doctorate in their respective field by the time of appointment.

Outstanding faculty joining the University will be considered for nomination of the Global STEM Professorship Scheme sponsored by the Government of the Hong Kong Special Administrative Region, and may be provided with subsidy for their research teams and for setting up laboratories.
