

2017 AFAANZ Conference Call For Papers

2-4 July, Adelaide, Australia

This is the first call for papers for the 2017 AFAANZ Conference to be held in Adelaide, Australia.

Papers are invited in the broad areas of accounting, finance, auditing, corporate governance, accounting information systems, accounting education, ethics, corporate social responsibility, tax and related topics. Papers should conform to the style and format of Accounting and Finance, the journal of AFAANZ. All papers will be subject to blind peer review so please ensure that there are no author details mentioned in your paper.

We would like to encourage young researchers and those who are not members of AFAANZ to consider submitting a paper so that they can experience the benefits of attending the conference. AFAANZ is devoted to a very broad sphere of accounting and finance research and we welcome innovative research approaches as well as those that are well established. Advantages of attending the conference include the opportunity to network with colleagues including many leading researchers in the accounting and finance disciplines as well as developing research ideas from the plenary speakers and the many other papers presented. AFAANZ encourages new and developing researchers to attend the conference. This year again, we will extend a discount to first time AFAANZ conference attendees and full time higher degree research students.

SPEAKERS: The three plenary speakers at the conference will be:

- Professor Steven Cahan, The University of Auckland
- Professor Doug Foster, The University of Sydney
- Professor April Klein, New York University
